Authorized Warranty Service Brands

Experience a simple warranty process. We put the emphasis on you and handle everything on your behalf. No more dealing with the big companies to file a claim. Let us do the heavy lifting, so you can get your new tool back when you need it.

Have questions about your warranty? Contact your local Repair Coordinator. No more waiting on hold or being shuffled around to different service reps. Superior Tool makes it easy by providing one contact to get the answers you need.

Looking to just purchase tools for your next job? Check-out our sister company, Midland Tool and Supply. All purchases are backed by warranty through Superior Tool and make it simple to get a replacement or repair.
